BLANKET

Granny Square Motif

With A, make 12.

See Diagram on page 3.

Notes:

- Motifs begin with Color 1 (shortest section of color rep) from center of ball, leaving a 4" [10 cm] tail to weave in.

- All color changes occur at end of rnd where colors are spliced together.
- Each color aligns with 1 rnd in the Motif with 5 colors in total.
- If too much color is left at end of rnd, pull back some sts and slightly loosen gauge to re-work sts and finish at color change.
- If too little color is left, pull back some sts and slightly tighten gauge to re-work sts and finish at color change.
- Color change occurs where yarn is spliced together and should align with sl st at end of rnd.
- If splicing is visible on RS adjust sts so splice sits to WS, or work over splice on next rnd.
